Congratulations on your decision to tour Dallas! Like the countless millions of people who have already visited this wonderful city (not to mention the sizable population that is fortunate enough to live there), you will definitely enjoy your visit and remember it for a long time to come.

Of course, the prospect of a tour Dallas can be a daunting one if this is your first time in town, given the sheer size of the city and the wealth of things to see and do. Nevertheless, you should have a thoroughly rewarding time when you [tour dallas](#) if you have an idea of where to go, which is what this article aims to provide. Best of all, the suggestions that we outline here are very reasonably priced, so you should be able to tour Dallas and have a good time on even a fairly meager budget.

Your first stop on tour Dallas should be the Pioneer Plaza Cattle Drive. This is particularly good location to get a glimpse of what the city was like before the encroachment of all the modern developments. Here, you will find life-sized replicas of steers and cowboys made out of bronze, and the display is actually the most extensive bronze display in the world. Highly recommended for those who want to tour Dallas and get a feel for the city's glorious past.

The outdoor sculptures downtown is also a worthy stop when you tour Dallas, and art lovers are sure to enjoy the stunning collection of 30 wonderful sculptures placed right on the sidewalk. Many of the pieces date back to the 19th century, which makes this attraction an enticing one for the historian as well as the art aficionado.

Speaking of art, a tour Dallas wouldn't be complete without a visit to the renowned Art Garden. Located at the picturesque Trammell Crow Center in the downtown area, this collection is comprised of over 20 exquisite statues, many from famous French masters. Of particular note is a sculpture by Rodin that makes its residence amidst lush gardens and soothing water fountains.

This is only a sampling of what you can expect to find on your tour Dallas. There are a lot more unforgettable things to see, so make sure to book your tour Dallas early in order to give yourself plenty of time to enjoy them all!
